Indian Olympic Association Announces Correction to Previous Press Release

New Delhi - The previous release titled "**Selection Criteria for Individual Athletes and Teams for the Upcoming Asian Games**" may have caused some confusion amongst members of the media, and we would like to clarify these promptly.

In the previous release, "*To maximize the chances of sending the most competitive wrestling team to the Asian Games 2022, the final **selection** of wrestlers will be made prior to departure of the team for the competition*".

This may please be read as "*To maximize the chances of sending the most competitive wrestling team to the Asian Games 2022, the final **assessment** of **the wrestling team** will be made prior to departure of the team for the competition*".

Any confusion this may have caused is regretted.
